To Janet Livingston

My Dear Sister

I send you these lines which
I received as a reliquaire from my friend M^r Banff.
Accept them as a token of my unabated affection, and
sincere wish that the Christian's exalted hope may
be your portion through Life; and though we may not
meet again in Time, that you and all my beloved
relatives and friends, may meet where separation
and sorrow are unknown, To sing the praises of
our dear Redeemer, who Loved & gave himself for us.

Your Affectionate Brother
