My Dear Moore

My daughter
Agnes will attend
to the photos - Hence
not seen Farebrother
but D^r Tidman sent
a note desiring to
know where I was
that he might call
on me - I therefore
went but missed him

[0002]

I only wanted to
know if you
had got the things
as I feared they
had been lost -
You will excuse
Agnes finishing
this as I am very
busy -DL.
I have great pleasure
in enclosing Papa's
"cartes." They are not
so good as I should
like them to be, but

[0003]

[153]

I suppose all carte
de visites are the same,
I say don't think the
large "head" is good

[...] I am such
[...] my life
[...] as if
they should jump
out of their sockets!
You will see by his
short note that he
is very busy & cannot
write more

Please don't show

[0004]
the ugly one off - It
will give hangers
such an idea of
my Papa -
Believe me
